TENDER

16TH INTERNATIONAL SCULPTOR WORKSHOP 2022

Since 2006 an integral part of cultural life in the municipality of Nebelschütz, not far from the large district town of Kamenz: the international sculpture workshop in the »Am Krabatstein« quarry near Miltitz. Regional, national and international artists work here every year for two weeks in late summer in the incomparable landscape - the Krabatstein quarry. Water, permaculture - garden and wild nature characterize the gem of "Steinleicht e.V."

Impressive sculptures made of granite, sandstone, wood and metal have been created in 15 creative sculpting days so far.

The focus of the two-week symposium is on the one hand the naturally occurring granite at the site, but also wood and metal or combinations of the three materials as well as light and sound installations. Artists are asked to apply for participation in the symposium with a meaningful sketch of an idea, the conception of which is to be implemented in these 14 days of sculpture workshop. The two-week symposium begins on August 22, 2022 and ends on September 4, 2022 with a finissage. The materials granite (max. H=1,200 mm x W=1,200mm x D=600 mm, metal (no restrictions) and wood max. H = 2,000 mm) are made available. Dimensions desired for the project idea, especially deviations in the case of granite, are to be requested. Participants must bring the necessary tools with them. On request and if available, certain tools can be borrowed from the organizer. Granite sculptors who implement their project in granite or in combination with granite are each provided with a high-quality large and small cutting disc.

The artist receives a fee of €1,000.00, which includes travel expenses.

The artist can spend the night on the site of the quarry in their own tent (possibly a tent can also be borrowed), caravan or car, if necessary, they can stay in a very simple collective accommodation in the quarry (up to 6 people). Simple sanitary facilities and warm showers are available.

We provide full board free of charge.

All sculptures created in the sculptor's workshop are the property of the organizer; the artist receives 40% of the sales proceeds if they are sold. The remaining 60% will be used for the preparation and implementation of the upcoming sculpture symposia. The symposium and the resulting art objects will be documented.

The application must include:

- Meaningful idea sketch for implementation during the symposium, and the material
- an informal cover letter with all contact details (name, address, e-mail, telephone),
- A CV tabulated showing artistic qualities and commitment makes it clear
- a documentation of recent works, stating the title, the Year of origin, the original dimensions, the materials used

The complete application must be received by email by May 31, 2022.  
Please use the following email address: mail@steinleicht.de

Alternatively, please send the documents to the following address:  
Organizer & project management of the 16th sculpture workshop 2022  
Steinleicht e.V., Hauptstraße 9, 01920 Nebelschütz (please note: applications sent by post will only be returned with the enclosed stamped envelope)  
Please only in urgent cases! Mobile: +49 160 766 9239  
The decision of the jury on participation in the international sculpture workshop will be communicated to the applicants by June 30, 2022 and a binding contract containing rights and obligations will be concluded.  
Subsequent or incomplete documents cannot be considered in the selection and result in exclusion.

#### Venue

At the Krabatstein - Miltitz quarry located between Kamenz and Panschwitz-Kuckau on the S94/S100.  
You can find more information at <https://steinleicht.de>

We are trying very hard to take all COVID-19 relevant conditions into account, this year we unfortunately have to consider a very short-term cancellation as possible in the event of an official ban with exclusion of liability.
